EDU 6542	Technology in Education	3
		30 Total Hours

Admission, Maintenance, and Graduation Requirements

A candidate:

- Must have an undergraduate degree from an accredited college or university*
- Must be admitted to the Mississippi College Graduate School
- Must complete at least 50% of courses in the program at the 6000 level
- Must apply for graduation with the Registrar's Office.
- Must apply for a STEM Project-Based Practicum Examination with the Graduate Office

Should any candidate earn less than a B in any phase of the program, the candidate will be required to have a successful oral examination conducted by the STEM faculty.

*No degree requirement may be waived without the approval of the Graduate Office.

I have read and understand the program requirements:
